RETURNING MEMBERS - FIREARMS LICENSE (PAL) REQUIRED

All RETURNING members are REQUIRED to have a Firearms License (PAL), unless you only shoot air rifles/pistols.

NEW MEMBERS (Date of Birth required as per Firearms Act if you do not yet have a Firearms License)

New members who do not currently have a Firearms License (PAL) can join the Club and may shoot under the direct and immediate supervision of a licensed member, for their **FIRST season of membership only, after which a PAL is required to renew.**

This direct supervision for those without a valid Possession and Acquisition Firearms License (PAL), is a requirement of the Firearms Act. Please be aware this supervision is provided by volunteers and the club cannot provide 1:1 supervision for an indefinite period of time. Shooting limitations may occur pending the availability of licensed members. Please register as soon as possible for an upcoming firearms license course.

The RA Centre offers monthly Firearms License Courses.
Enquire at the RA or visit www.racentre.com for details on how to get your PAL.
